## Effective Leadership Training

Code: LM28 From: 14 - 25 September 2025 City: Amman (Jordan) Fees: 5600 Pound

### Introduction

In today's rapidly evolving global landscape, effective leadership has become a critical driver of organizational success and innovation. As businesses face complex challenges and seize new opportunities, the role of leaders has expanded beyond traditional models, requiring a multifaceted approach that integrates modern leadership principles and cutting-edge methodologies. This intensive leadership training course is designed to equip participants with the latest insights, tools, and strategies essential for excelling in leadership roles across various industries. Through dynamic learning experiences and interactive sessions, participants will gain a profound understanding of contemporary leadership theories, emerging trends, and practical techniques to lead with confidence, authenticity, and impact in the modern world.

### Course Objectives

By the end of this leadership training program, participants will:

- Gain a comprehensive understanding of modern leadership theories, frameworks, and practices.
- Develop advanced skills in strategic leadership, decision-making, problem-solving, and innovation leadership.
- Enhance emotional intelligence, self-awareness, and resilience to effectively navigate complex leadership challenges.
- Cultivate skills in effective communication, collaboration, and conflict resolution to build high-performing, inclusive teams.
- Explore transformative leadership principles and best practices for managing change and adapting to a rapidly evolving business environment.
- Develop a personal leadership philosophy and action plan to drive sustainable organizational growth and inspire positive change.

### Course Outlines

#### Day 1: Understanding Modern Leadership

- Overview of modern leadership theories and models.
- Introduction to adaptive leadership in today's dynamic business environment.
- The importance of emotional intelligence and self-awareness in effective leadership.
- Cultivating a growth mindset and building resilience as a leader.

#### Day 2: Strategic Leadership and Decision-Making

- Key principles of strategic leadership and visionary thinking.
- Leveraging data-driven decision-making and analytics in leadership roles.

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a knight) on it. The pieces are in shades of gold and silver. The board is white and black squares. In the background, there are concentric circles radiating from the center, suggesting a strategic or analytical theme.

UK Training  
**PARTNER**

- Leading innovation and fostering a culture of creativity and experimentation.
- Applying design thinking and agile methodologies to drive organizational change.

### Day 3: Leading High-Performing Teams

- Strategies for building and leading inclusive teams.
- Effective communication techniques for leaders, including active listening and feedback.
- Conflict resolution strategies and negotiation skills for leaders.
