Effective Action Plan Presentation Skills

Code: LM28 From: 6 - 10 July 2025 City: Tunis (Tunisia) Fees: 3700 Pound

Introduction

This training course is designed to help individuals develop and present effective action plans within their organizations. An action plan is a strategic tool that outlines the steps required to achieve a goal or solve a problem. Participants will learn how to create clear, actionable, and realistic action plans while gaining the skills necessary to present these plans confidently to stakeholders. The course covers essential topics such as structuring the plan, communication techniques, and addressing questions or objections during presentations.

Course Objectives

By the end of this course, participants will be able to:

- Understand the key components of an effective action plan and how to structure it.
- Develop a clear and actionable action plan aligned with organizational goals.
- Confidently present their action plan to various audiences, including senior management and team members.
- Use visual aids and communication strategies to enhance the impact of their presentation.
- Effectively manage questions, feedback, and objections during the presentation of their action plan.
