## HR Processes, Culture & Change Management

Code: HR28 From: 22 September - 3 October 2025 City: Malaga (Spain) Fees: 7400 Pound

### Introduction

In today's rapidly evolving business landscape, organizations must adapt to change management strategies while optimizing HR processes to foster a high-performance culture. This course is designed to equip HR professionals and organizational leaders with the knowledge and skills necessary to implement strategic HR processes, streamline HR operations, and enhance employee engagement.

Participants will explore change management models, gain expertise in HR culture and engagement, and learn how to drive sustainable transformation by integrating modern HR technologies, data analytics, and best practices. Through a mix of interactive workshops, case studies, and real-world applications, this course ensures that attendees can drive meaningful change within their organizations.

### Course Objectives

By the end of this course, participants will be able to:

- Enhance HR Operations: Design and implement strategic HR processes that improve workforce management and efficiency.
- Build a Strong Workplace Culture: Foster HR culture goals that promote innovation, diversity, and inclusivity.
- Lead Organizational Change: Apply change management training techniques to drive transformation and manage resistance effectively.
- Leverage HR Technologies: Use AI, automation, and HR analytics to support decision-making and improve HR outcomes.
- Streamline HR Processes: Implement best practices to optimize recruitment, onboarding, performance management, and employee engagement.
- Improve Employee Experience: Design initiatives that enhance employee well-being, career development, and retention.
- Align HR with Business Strategy: Integrate HR operations with strategic planning to support long-term organizational success.
- Navigate Cultural Challenges: Manage global HR processes and develop strategies for leading multicultural teams effectively.
