Building personal motivation to achieve goals

Code: PS28 From: 10 - 14 November 2025 City: London (UK) Fees: 4400 Pound

Introduction

This 5-day training course is designed to help participants develop the necessary personal motivation to achieve both professional and personal goals. Through a series of interactive lessons, case studies, and practical exercises, participants will learn how to harness their inner drive, set meaningful goals, and stay committed to achieving them. The course will cover key strategies in motivation, goal setting, and self-discipline that will empower individuals to break through obstacles and stay focused on their objectives.

Course Objectives

By the end of this course, participants will be able to:

- Understand the key principles of personal motivation and how it impacts goal achievement.
- Develop a clear vision for their goals and create a practical action plan.
- Identify common barriers to motivation and learn strategies to overcome them.
- Build resilience and maintain focus on long-term objectives.
- Apply proven techniques for self-motivation and personal development.

Why take this course?

- Gain a deeper understanding of what drives you.
- Learn to set clear and achievable goals.
- Overcome barriers like procrastination and self-doubt.
- Build resilience to stay committed through challenges.
- Develop practical techniques to stay motivated every day.
- Align your goals with your personal values.
- Create a solid action plan for success.
- Strengthen self-discipline and focus.
- Foster a growth mindset for continuous improvement.
- Build a support system for long-term motivation.
- Measure progress and adapt your goals as needed.
- Learn how to celebrate progress and stay positive.
- Achieve both personal and professional goals with confidence.
