## Building personal motivation to achieve goals

Code: PS28 From: 15 - 19 March 2026 City: Amman (Jordan) Fees: 3300 Pound

### Introduction

Personal motivation is a key factor in achieving goal achievement in both personal and professional life. This five-day intensive training course is designed to help participants develop self-motivation, understand the definition of personal motivation, and apply it effectively in their daily lives. Through interactive lessons, case studies, and practical exercises, participants will learn how to become a self-motivated person, identify personal motivations, and stay committed to achieving their objectives.

This course will cover personal motivation strategies, goal setting, and self-discipline techniques, equipping individuals with the tools needed to overcome obstacles and maintain focus on achieving goals.

### Course Objectives

By the end of this course, participants will:

- Understand what motivates a person and how to apply personal motivation techniques for success.
- Develop a clear vision for their personal and professional goals and create an action plan.
- Identify common barriers to personal motivation and learn strategies to overcome them.
- Build resilience and maintain focus on goal achievement.
- Apply personal motivation strategies and personal development techniques to achieve long-term success.

### Course Outlines

#### Day 1: Understanding Personal Motivation

- What is personal motivation? Definition and its importance in achieving goal achievement.
- Types of motivation: Intrinsic vs. extrinsic motivation.
- Identifying personal motivation sources and using them to drive success.
- Goal-setting theory and its significance in personal motivation.
- Assessing current motivation levels and identifying areas for improvement.

## Day 2: Setting Meaningful and Achievable Goals

- Steps to achieve goals using the SMART goal framework.
- Understanding long-term vs. short-term goals.
- Visualizing success and its impact on goal achievement.
- Aligning goals with personal values to enhance internal motivation.
- Creating a structured action plan to break goals into achievable steps.

## Day 3: Overcoming Barriers and Building Self-Discipline

- Common challenges to personal motivation, include procrastination, fear of failure, and self-doubt.
- Time management techniques to stay on track with goals.
- How to become a self-motivated person by developing strong habits.
- The role of mindset in goal achievement: Growth mindset vs. fixed mindset.
- Practical exercises to overcome challenges and stay motivated.

## Day 4: Building Resilience and Sustaining Motivation

- The importance of motivator personality type in overcoming setbacks.
- Developing mental and emotional resilience to handle daily stressors.
- Strategies to maintain personal motivation during difficult times.
- The role of positive reinforcement and self-rewarding techniques.
- Managing external pressure and dealing with criticism effectively.

## Day 5: Sustainable Motivation for Long-Term Success

- Establishing daily habits to maintain personal motivation and personal development.
- Tracking progress and adjusting goals as needed.
- Creating a personal accountability system for long-term success.
- The power of support networks and surrounding yourself with motivational influences.
