Team Building for Intact Teams

Code: LM28 From: 8 - 12 September 2025 City: London (UK) Fees: 4400 Pound

Introduction

In today sast-paced and competitive business environment, team building has become an essential skill for creating cohesive, high-performing teams. This team building training course is designed to equip participants with the necessary skills, strategies, and tools to build, manage, and sustain effective teams. With a focus on team building skills and practical applications, the course explores advanced concepts such as team dynamics, trust-building, and conflict resolution. Through interactive workshops, case studies, and exercises, participants will develop the ability to enhance communication, foster collaboration, and leverage individual strengths for collective success.

By the end of this course, participants will understand the meaning of team building, why it is important, and how to implement best practices to achieve high team performance.

Course Objectives

This course will help participants to:

- Understand team building meaning and importance: Learn the definition of team building and its impact on team dynamics and performance.
- Develop team building skills: Master communication, trust-building, and conflict resolution techniques for intact leadership teams.
- Foster collaboration: Learn to leverage diversity and individual strengths for good team building activities and enhanced team outcomes.
- Manage and resolve conflicts effectively: Acquire techniques for addressing challenges and turning conflict into opportunities for growth.
- Set and achieve team building goals: Gain practical skills to define team objectives and create actionable plans
- Build a high-performing intact team: Strengthen teamwork, motivation, and alignment across all team stages.

Course Outlines

Day 1: Foundations of Effective Team Building

- What is Team Building? Understanding the definition and principles.
- The Importance of Team Building: Exploring the benefits and why it is critical for organizational success.
