Driving Results in Project Management

Code: PM28 From: 22 - 26 December 2025 City: Paris (France) Fees: 4400 Pound

Introduction

Effective project management is the key to achieving desired results and ensuring business success. Driving projects to meet their goals requires organizational, leadership, and strategic skills to deliver within time and budget.

The Driving Results in Project Management course is designed to equip participants with practical skills to plan, execute, and monitor projects effectively. Through this course, you will learn how to overcome challenges, manage teams, and achieve project success.

Course Objectives

- Understand the fundamental principles of delivering successful projects.
- Learn to define clear project goals and align them with organizational objectives.
- Develop skills for planning, executing, and monitoring projects efficiently.
- Master techniques to manage project risks and address challenges.
- Strengthen the ability to lead and motivate project teams.
- Learn to use tools and methodologies to track project progress.
- Gain expertise in managing project scope, timelines, and budgets.
- Foster collaboration and effective communication with stakeholders.
- Build a problem-solving mindset to handle unexpected situations.
- Ensure project delivery that exceeds expectations.

Course Outlines

Day 1: Foundations of Project Success

- Understand the key principles of effective project management.
- Learn how to define project goals and success criteria.
- Explore the project lifecycle and its phases.
- Assess project readiness and identify potential challenges.

Day 2: Planning for Results

- Master techniques for creating detailed project plans.
- Learn how to set realistic timelines, allocate resources, and manage budgets.
- Develop a risk management plan to mitigate potential issues.
- Create communication plans to ensure alignment with stakeholders.

Day 3: Execution and Team Leadership

A graphic of a chessboard with several chess pieces (a king, a queen, a rook, and a pawn) on it. The pieces are gold and silver. The board is white and black squares. In the background, there are concentric circles radiating from the center.
