## One-Day (6-Hour) Leadership & Strategic Management Course

Code: LM28 From: 25 February - 1 March 2026 City: In House Fees: 0 Pound

### Introduction

In today's highly competitive business environment, effective leadership and strategic management are essential for driving organizational success. This one-day intensive leadership training program is designed to help participants enhance their leadership development and strategic leadership skills. Focused on leadership principles, change management, and growth-oriented decision-making, the course will empower individuals to confidently lead and make a lasting impact on their organizations. Through interactive discussions, case studies, and hands-on exercises, participants will leave with actionable strategies they can implement immediately to drive success and improve leadership practices.

By developing critical skills in strategic leadership, leadership roles, and team management, this course provides participants with the tools to elevate their leadership development training and set a course for executive leadership. Join us to master the essentials of strategic management and gain a deeper understanding of what it takes to lead effectively in today's dynamic business landscape.

### Course Objectives

By the end of this course, participants will be able to:

- Understand the difference between leadership and management: Recognize their distinct roles and responsibilities in driving organizational success, and apply leadership principles effectively.
- Develop strategic thinking skills: Align personal and team goals with broader organizational objectives through strategic management concepts.
- Apply various leadership styles effectively: Learn how to implement the types of leadership in management to lead with impact in different situations.
- Utilize change management techniques: Navigate resistance and lead successful transformations within the organization.
- Enhance communication skills: Foster collaboration, build influence and engage stakeholders effectively using leadership communication techniques.
- Motivate teams: Use proven leadership and motivation strategies to drive high performance and achieve team success.
- Develop a personal leadership development plan: Create a clear roadmap for continuous improvement and long-term leadership success.

### Course Sessions

#### Session 1: Strategic Leadership Essentials 1.5 hours

- Leadership vs. Management: Understanding the critical difference between leadership and management and their roles in business success.
