Mini MBA and Marketing Course

Code: LM28 From: 8 - 12 June 2026 City: Milan (Italy) Fees: 4400 Pound

Introduction

This Mini MBA and Marketing course is designed to equip participants with essential business and marketing skills, offering a practical and strategic understanding of core business functions. The course emphasizes customer-focused marketing while providing insights into leadership, financial management, and modern marketing techniques. In just five days, participants will gain a comprehensive overview of business strategy, leadership, financial awareness, and digital marketing to thrive in today's dynamic business environment.

Course Objectives

By the end of the Mini MBA program, participants will be able to:

- Understand the key components of business management and strategic thinking within the context of an Executive MBA.
- Apply marketing principles to develop customer-focused strategies.
- Interpret financial data for better decision-making, even without a finance background.
- Build leadership skills to effectively manage teams and drive business success.
- Develop marketing plans using digital tools and the latest trends, including data analytics.
