Media and Corporate Communications

Code: PR28 From: 31 August - 4 September 2025 City: Amman (Jordan) Fees: 3300 Pound

Introduction

In an age of fast-moving information and heightened public scrutiny, mastering the art of corporate communications and media communications is crucial for building trust, protecting reputation, and engaging effectively with stakeholders. This course is designed to equip communication professionals with the essential skills and knowledge needed to navigate today's complex media landscape, both during routine operations and in times of crisis.

Through a blend of theory, real-world case studies, and practical simulations, participants will learn how to craft compelling messages, engage with media professionals, manage internal and external communications, and maintain corporate reputation during challenging situations. This program also emphasizes the importance of a solid corporate communications strategy, integrating traditional and digital media platforms to effectively reach target audiences.

Course Objectives

By the end of this course, participants will be able to:

- Understand the fundamentals and strategic importance of corporate communications, including its role in brand reputation and public perception.
- Develop and implement media relations strategies that align with organizational goals and enhance media communications.
- Communicate persuasively with internal teams and external audiences, ensuring clarity and alignment with brand messaging.
- Manage communication effectively during crises, protecting brand image and minimizing damage.
- Utilize both traditional and digital media platforms to reach target stakeholders and maintain corporate reputation.
- Apply principles of public relations corporate communications to build lasting relationships with media professionals.

Course Outlines

Day 1: Fundamentals of Media and Corporate Communications

- Introduction to Corporate Communications and Its Strategic Role
- Understanding what is corporate communications and its impact on brand image
- The Evolving Role of Media Communications in Shaping Corporate Narratives
- Communication Models and Channels: Choosing the Right Approach
- Differences Between Internal and External Communication
- Key Characteristics of Effective Communicators

Day 2: Media Relations and Messaging

A graphic of a chessboard with several pawns. In the foreground, a large gold king piece stands prominently. Behind it, several silver and gold pawns are positioned on different squares. The background features a series of concentric circles, suggesting a signal or a strategic focus.
