Workforce Planning and Development

Ref: 3254838_179660 **Date:** 19 – 23 July 2027 **Location:** Orlando, Florida (USA) **Fees:** 5900 GBP

Introduction

In today's fast-paced and ever-evolving business environment, strategic workforce planning is crucial for achieving organizational goals and ensuring long-term success. This comprehensive workforce planning course is designed to equip participants with the tools and knowledge needed to effectively plan human resources, analyze future workforce needs, and develop competencies that secure organizational readiness for future challenges. Through strategic analysis and effective workforce planning strategies, participants will learn how to bridge skill gaps, enhance productivity, and ensure workforce sustainability.

Course Objectives

By the end of this workforce planning and development course, participants will be able to:

- Understand the definition of strategic workforce planning and its importance in achieving organizational objectives.
- Analyze current and future human resource needs with a strategic mindset.
- Develop integrated workforce development plans that enhance skills and competencies.
- Apply effective workforce planning techniques to bridge skill gaps and boost performance.
- Improve workforce sustainability and ensure adaptability to market changes.
