Environmental, Social, and Governance (ESG) Training Course

Code: LM28 From: 6 - 10 April 2026 City: Bordeaux (France) Fees: 4400 Pound

Introduction

In a world increasingly shaped by sustainability, ethical responsibility, and corporate transparency, Environmental, Social, and Governance ESG factors have emerged as essential elements of modern business strategy. This in-depth, five-day training course is designed to provide professionals with a solid and actionable understanding of ESG principles, regulatory frameworks, and implementation strategies.

Participants will explore how to apply global ESG standards such as GRI Global Reporting Initiative, SASB Sustainability Accounting Standards Board, and TCFD Task Force on Climate-related Financial Disclosures. They will gain practical insights into ESG performance measurement, risk management, and stakeholder engagement—all aimed at aligning corporate actions with long-term sustainable growth.

Course Objectives

By the end of this course, participants will be able to:

- Understand Core ESG Principles: Develop a foundational knowledge of environmental, social, and governance dimensions and why they are critical in today's business environment.
- Apply Global ESG Frameworks and Standards: Learn how to align with internationally recognized ESG frameworks such as GRI, SASB, and TCFD.
- Integrate ESG into Business Strategy and Operations: Understand how to embed ESG factors into corporate strategy, investment decisions, daily operations, and risk management processes.
- Evaluate and Report ESG Performance: Gain the skills to measure, monitor, and report ESG outcomes effectively to both internal and external stakeholders.
