Leadership Through Strategic Marketing & PR Integration

Ref: 3254935_182771 **Date:** 31 October – 4 November 2027 **Location:** Online **Fees:** 2200 GBP

Introduction

In today's fast-paced and competitive environment, leadership is no longer defined solely by decision-making or team management. It now requires a deep understanding of strategic marketing and public relations PR to effectively position an organization, communicate its values, and drive sustained growth.

This course is meticulously designed for executives, team leaders, and professionals across vital sectors such as oil & gas, banking and finance, telecommunications, government, HR, and marketing. Whether you're an emerging talent or a seasoned leader, this program empowers you to use marketing and PR tools strategically to boost organizational performance and influence stakeholders.

Blending strategic insights with hands-on application, the course equips participants with actionable skills to immediately implement within their organizations—enhancing influence, boosting reputation, and driving measurable impact.

Course Objectives

- Understand the fundamentals of modern leadership integrated with strategic marketing and PR.
- Recognize the value of corporate communication in building trust and credibility.
- Apply marketing analytics tools to guide leadership decisions.
- Analyze how PR initiatives support organizational transformation.
- Develop integrated marketing strategies aligned with institutional goals.
- Strategically use modern communication channels.
- Design PR campaigns that align with growth and positioning efforts.
- Manage corporate reputation during times of crisis.
- Utilize performance metrics to assess impact of leadership initiatives.
- Foster alignment between leadership and marketing/PR departments.
