Global Compliance Certification (GCC)

Ref: 3254949_182942 **Date:** 2 – 6 August 2027 **Location:** Baku (Azerbaijan) **Fees:** 5200 GBP

Introduction

This comprehensive training program is designed to equip professionals with in-depth knowledge of global compliance standards, regulatory frameworks, and risk management strategies.
The course empowers participants to manage compliance obligations across multiple jurisdictions, reduce organizational risk, enhance corporate governance, and foster a strong culture of ethics and integrity.
It focuses on key regulations such as the Foreign Corrupt Practices Act FCPA, the UK Bribery Act, the General Data Protection Regulation GDPR, and international standards like ISO 37301 - Compliance Management Systems.

Course Objectives

By the end of this course, participants will be able to:

- Understand international compliance standards and regulatory requirements.
- Identify compliance risks and implement effective internal controls.
- Develop and manage compliance programs aligned with global best practices.
- Conduct internal audits and compliance investigations.
- Promote a compliance-driven culture and ethical leadership within their organization.

Course Outlines
