Strategic Talent Acquisition & Advanced Interviewing Techniques

Code: HR32 From: 7 - 18 June 2027 City: Los Angeles (USA) Fees: 10600 Pound

Introduction

In today's competitive, skills-driven economy, strategic talent acquisition has become a critical pillar of organizational success. It's no longer just about filling vacancies – it's about finding the right talent, aligning with long-term business goals, and ensuring a seamless recruitment experience from first contact to onboarding.

This 10-day intensive course is tailored for HR professionals and Talent Acquisition specialists at intermediate to advanced career levels. It blends theory with case-based practice, offering cutting-edge advanced interviewing techniques, frameworks, and real-world tools to help you attract, assess, and retain top talent effectively.

Participants will explore every stage of the hiring journey – from strategic workforce planning to employer branding and structured interviewing – ensuring alignment between talent strategies and organizational priorities.

Whether you're developing a new Talent Acquisition Framework or refining your interviewing approach, this program equips you to become a true strategic partner in your organization.
