Code: FA28 From: 18 - 22 August 2025 City: London (UK) Fees: 4400 Pound

## Introduction

Public sector budgeting is increasingly aligning with global best practices, especially the International Public Sector Accounting Standards IPSAS. This training course is designed to equip finance professionals with the necessary tools to prepare IPSAS-compliant budgets, perform accurate variance analysis, evaluate financial performance, and generate expenditure reports that support transparency, efficiency, and evidence-based decision-making.

The course is ideal for budget officers, financial controllers, auditors, accountants, planners, and public finance managers aiming to enhance their budgeting and reporting capabilities in line with IPSAS standards.

## Course Objectives

By the end of this training, participants will be able to:

- Understand the fundamentals and application of IPSAS in budgeting.
- Prepare comprehensive operating and capital budgets that comply with IPSAS.
- Perform variance analysis and interpret financial deviations effectively.
- Evaluate financial performance using key performance indicators KPIs and benchmarking tools.
- Create and present expenditure reports that support strategic decisions and resource optimization.
