Certificate in Internal Audit Excellence (CIAE)

Code: QM28 From: 10 - 14 November 2025 City: Baku Fees: 4400 Pound

Introduction

In today's dynamic business landscape, internal audit plays a crucial role in enhancing governance, risk management, and organizational performance. The Certificate in Internal Audit Excellence CIAE is designed to equip professionals with advanced auditing skills and strategic thinking to lead audit functions with confidence. This course caters to internal auditors, compliance officers, risk professionals, and financial controllers across public and private sectors in the MENA region.

The program targets professionals at all career levels – from junior auditors aiming to sharpen their technical skills, to senior managers seeking strategic insights and leadership capabilities in audit. It also suits professionals from various industries including oil and gas, banking, telecom, government, HR, project management, and more. This course offers participants a recognized certification that strengthens professional credibility while fostering business excellence.

Course Objectives

- Understand the core principles and frameworks of internal auditing.
- Apply advanced techniques in risk-based auditing.
- Analyze real-life audit case studies and identify best practices.
- Evaluate internal controls and governance structures effectively.
- Implement audit planning and reporting aligned with global standards.
- Develop professional judgment in assessing compliance and ethics.
- Lead internal audit teams with strategic insight and efficiency.
- Enhance communication and reporting skills for audit stakeholders.

Course Outlines

Day 1: Foundations of Internal Audit Excellence

- Introduction to internal audit principles and evolving global trends.
- IIA standards and ethical responsibilities.
- Governance frameworks and their audit implications.
- Risk management fundamentals and enterprise risk frameworks.
- Role of internal audit in fraud prevention.
- Interactive exercise: Assessing a governance structure.

Day 2: Audit Planning and Risk Assessment

- Creating audit plans aligned with business strategy.
- Conducting effective risk assessments.
- Identifying auditable entities and prioritizing them.
- Building an agile audit plan.
