High Performance Leadership

Ref: 3254951_184627 **Date:** 25 – 29 January 2027 **Location:** Vienna (Austria) **Fees:** 5200 GBP

Introduction

In a rapidly changing world marked by volatility, ambiguity, and complexity, traditional leadership skills are no longer sufficient to ensure sustainable organizational success.
Today's leaders must adopt a High Performance Leadership mindset — one that focuses on delivering exceptional results, motivating teams, and transforming challenges into opportunities.

This course has been carefully designed for a broad audience of executives, team leaders, and high-potential professionals at various career levels across both public and private sector organizations in the MENA region.

Participants will gain practical tools and applied leadership strategies that elevate individual and institutional performance, tailored to the unique demands of sectors such as oil and gas, finance, telecommunications, government, HR, project management, and more.

Whether you're seeking an accredited professional certificate, advancing your current leadership skill set, or exploring cutting-edge global best practices — this program offers you an actionable roadmap to lead with impact.

Course Objectives

- Understand the core principles of high performance leadership.
- Build motivational and influence skills for culturally diverse teams.
- Apply coaching tools to support individual and team growth.
- Analyze the behaviors of high-impact leaders and replicate their strategies.
- Utilize tools for assessing both individual and organizational performance.
- Strengthen emotional intelligence and leadership communication.
- Design productive, accountable work environments.
- Develop strategies for decision-making and conflict resolution in high-stakes scenarios.
