# Talent Management Strategies for Achieving High Performance

Code: LM28 From: 1 - 5 June 2026 City: Düsseldorf (Germany) Fees: 4200 Pound

## Introduction

In an era of rapid transformation and intense competition, talent management has become a critical factor for achieving organizational excellence and sustainability.

Successful organizations today understand that investing in human capital and developing it is the most effective path to achieving high performance and strengthening competitive value.

This specialized training program offers a comprehensive, practical framework for talent management strategies – from attracting and recruiting top talents to developing and retaining them – ultimately linking them directly to organizational performance.

## Course Objectives

- Understand modern concepts in talent management and connect them to achieving organizational performance.
- Design and implement effective strategies for attracting, developing, and retaining talents.
- Integrate performance management with career path planning and human capital sustainability.
- Utilize advanced tools and technologies, such as predictive analytics and artificial intelligence, to support talent management decisions.
- Empower leaders to build a performance-driven culture and develop critical skills.

## Course Outlines
