Comprehensive Course in Effective Internal Audit Leadership

Code: QM28 From: 13 - 24 April 2026 City: Prague (Czech) Fees: 7400 Pound

Introduction

In today's rapidly changing environment, internal audit leaders are expected to go far beyond assurance and compliance. They must provide insight, anticipate risk, and guide their organizations through uncertainty. Achieving this transformation requires more than technical expertise—it demands visionary, ethical, and adaptive leadership.

This advanced 10-day course is designed to equip current and future internal audit leaders with the skills and mindset to lead strategically, manage diverse teams, influence stakeholders, and drive innovation—while safeguarding independence and objectivity.

Through practical case studies, leadership simulations, and interactive discussions, participants will develop the core capabilities needed to thrive as modern audit leaders.

Course Objectives

By the end of this course, participants will be able to:

- Understand and apply key leadership competencies specific to internal audit.
- Align internal audit activities with organizational goals and risk strategy.
- Build, lead, and inspire high-performing audit teams.
- Communicate effectively with senior executives and audit committees.
- Promote innovation, agility, and continuous improvement within the audit function.
- Navigate complex ethical challenges while maintaining independence and integrity.
- Lead the transformation of internal audit into a value-adding advisory function.
