Board Effectiveness and Leadership Governance

Ref: 3255077_186798 **Date:** 25 – 29 October 2027 **Location:** Cape Town (South Africa) **Fees:** 4200 GBP

Introduction

In today's complex and performance-driven environment, Board Effectiveness & Leadership Governance has become a cornerstone of sustainable organizational success. A high-performing board does more than fulfill legal obligations—it actively shapes strategic direction, ensures ethical oversight, and drives long-term value.

This course is designed for executives, team leaders, and professionals across various sectors such as energy, banking, telecommunications, government, human resources, marketing, and project management. Whether you are preparing to join a board or seeking to enhance your collaboration with one, this program will equip you with the tools to lead with integrity and impact.

Participants will develop the practical knowledge and skills necessary to assess board performance, strengthen governance structures, and foster leadership that aligns with institutional goals and stakeholder expectations.

Course Objectives

- Understand the modern concepts of board effectiveness and leadership governance.
- Apply globally recognized governance frameworks and performance standards.
- Analyze the balance between oversight and strategic contribution.
- Strengthen board capabilities in managing risk and compliance.
- Evaluate board performance and member accountability.
- Explore leadership's role in institutionalizing governance culture.
- Develop a board improvement plan tailored to the organizational context.
- Foster effective communication between the board and executive leadership.
- Examine real-world case studies of successful and underperforming boards.
- Build personal development plans for governance-related leadership roles.

Course Outlines
