Leadership Training for Managers

Code: LM32 From: 2 - 6 November 2026 City: Rome (Italy) Fees: 5200 Pound

Introduction

Effective leadership is a cornerstone of organizational success and sustainability. Through leadership training for managers, participants will develop essential leadership skills that transform teams into high-performing units capable of achieving strategic objectives. This program is designed for executives, team leaders, and professionals in managerial roles who aim to strengthen their decision-making, communication, and motivational capabilities. The course provides practical tools and frameworks to help managers face challenges, guide their teams with confidence, and create measurable impact in their organizations.

Course Objectives

- Understand the foundations of modern leadership and its role in organizational success.
- Develop effective communication skills to build trust and engagement.
- Enhance decision-making abilities under pressure.
- Apply motivational strategies to increase team productivity.
- Manage conflicts and challenges with professionalism and resilience.
- Promote ethical leadership to foster integrity and accountability.
- Build and lead high-performing teams.
- Align individual goals with broader organizational objectives.
