HR Performance Indicators and Dashboard Development For 5 days

Code: HR32 From: 1 - 5 February 2027 City: Orlando, Florida (USA) Fees: 5900 Pound

Introduction

In today's competitive environment, HR Performance Indicators and Dashboard Development have become essential for organizations seeking to align people strategies with business goals. Human Resources is no longer limited to administrative tasks but plays a strategic role in driving efficiency, improving workforce engagement, and achieving organizational success.

This five-day course equips participants with practical tools to design, measure, and monitor HR Performance Indicators while building interactive dashboards that enable data-driven decision-making. Through case studies, real-world applications, and hands-on exercises, participants will learn to connect HR strategies with business objectives, optimize workforce planning, and foster sustainable growth.

Course Objectives

By the end of this program, participants will be able to:

- Understand the fundamentals of strategic HR management and its link to business objectives.
- Design integrated HR strategies to improve organizational performance.
- Develop and apply effective HR Performance Indicators for different HR functions.
- Build interactive dashboards for monitoring performance and supporting strategic decisions.
- Utilize HR information systems and digital tools for workforce analytics.
- Strengthen change management skills to ensure long-term HR transformation.
- Explore global HR practices and adapt them to local organizational needs.

Course Outlines

Day 1: Fundamentals of Strategic HR Management

- Definition and importance of HR strategy.
- Differences between operational and strategic HR management.
- Principles for designing effective HR strategies.
- Case studies on aligning HR with organizational goals.

Day 2: HR Analysis and Strategic Planning

- Conducting SWOT and GAP Analysis in HR.
- Collecting and analyzing workforce data.
- Setting SMART goals linked to HR strategy.
- Developing HR policies to support execution.

Day 3: KPI Design and Performance Measurement

The logo for UK Training Partner features the text 'UK Training' in a small, black sans-serif font above the word 'PARTNER' in a large, bold, black sans-serif font. The text is positioned on a checkered chessboard background with several chess pieces (a king, a queen, a rook, and a pawn) visible. The background also includes a series of concentric white circles radiating from the center.

UK Training
PARTNER
