## Strategic Change, Risk Management & Leadership

Code: LM32 From: 6 - 17 July 2026 City: Bordeaux (France) Fees: 9400 Pound

### Introduction

In today's fast-changing and uncertain business environment, organizations must adapt quickly to remain resilient and competitive. Effective Change Management, combined with strong Leadership and robust Risk Management, enables organizations to navigate uncertainty, build trust, and secure long-term sustainability.

This 10-day comprehensive training equips participants with advanced tools, frameworks, and strategies to lead transformation initiatives, inspire teams, and embed risk-aware practices within the organizational culture.

### Course Objectives

By the end of this program, participants will be able to:

- Understand the psychology and dynamics of organizational change.
- Apply Leadership strategies to manage and sustain Change Management initiatives.
- Communicate effectively with stakeholders and handle resistance.
- Implement international Risk Management frameworks such as ISO 31000, COSO, and PMBOK.
- Identify, assess, and mitigate risks using proven tools and techniques.
- Build sustainable, risk-aware organizational cultures.
- Strengthen decision-making and resilience in times of uncertainty.

### Course Outlines

#### Day 1: Understanding Change and Leadership

- Introduction, registration, and program overview.
