Learning & Development (L&D) Fundamentals

Code: CC32 From: 13 - 17 December 2026 City: Amman (Jordan) Fees: 4200 Pound

Introduction

In today's dynamic and ever-changing business environment, investing in people's development is no longer a luxury—it has become a strategic necessity.

Learning & Development L&D serves as the cornerstone for building organizational capabilities, improving productivity, and fostering a culture of innovation and excellence.

This course provides participants with the fundamental principles of Learning & Development, equipping them with practical tools to design, implement, and evaluate impactful training programs aligned with organizational goals.

Course Objectives

By the end of this course, participants will be able to:

- Understand the key concepts and principles of Learning & Development.
- Explore global trends and best practices in people development.
- Design effective training programs that align with organizational strategies.
- Conduct Training Needs Analysis TNA to identify critical skill gaps.
- Apply evaluation models to measure training impact and Return on Investment ROI.
- Position Learning & Development as a key driver for organizational growth and transformation.
