CIPD Fundamentals Program

Ref: 3255473_197001 **Date:** 20 September – 1 October 2027 **Location:** Washington (USA) **Fees:** 10600 GBP

Introduction

The CIPD Fundamentals Program offers a clear and comprehensive introduction to the core principles of Human Resources HR and Learning & Development L&D. Designed for beginners, administrators, and early-career HR professionals, this 2-week program equips participants with the essential knowledge and practical skills needed to support HR functions with confidence.

Through interactive sessions, real-world examples, and hands-on workshops, participants will develop a strong grasp of HR foundations, the employee lifecycle, and basic learning practices—preparing them to progress toward more advanced CIPD pathways.

Course Objectives

By the end of the program, participants will be able to:

- Understand the role and value of HR and L&D in organizational success.
- Identify the key components of the HR function and the employee lifecycle.
- Support recruitment, onboarding, and performance processes effectively.
- Conduct simple Training Needs Analysis TNA and assist in learning activities.
- Apply basic labour law concepts and internal HR policies.
- Communicate professionally with employees and stakeholders.
- Recognize the importance of ethics, professionalism, and workplace culture.
- Contribute confidently to HR administrative tasks and projects.

Course Outlines
