## Professional Corporate Governance, Corporate Secretariat & Policy Drafting

Code: CT32 From: 1 - 5 February 2027 City: Manchester (UK) Fees: 5900 Pound

### Introduction

The Professional Corporate Governance, Secretariat & Policy CGSP course is designed to provide participants with a comprehensive and practical understanding of modern corporate governance frameworks, the strategic role of the company secretariat, and the development and implementation of effective corporate policies.

In today's complex regulatory and business environment, organizations are expected to demonstrate strong governance, transparency, accountability, and ethical leadership. This course equips professionals with the knowledge and skills required to support boards of directors, board committees, senior management, and key stakeholders while ensuring compliance with regulatory requirements and international governance best practices.

The program combines governance theory with practical applications, enabling participants to strengthen governance structures, improve board effectiveness, enhance policy frameworks, and support sound decision-making across the organization.

### Course Objectives

By the end of this course, participants will be able to:

- Understand international corporate governance principles, frameworks, and best practices.
- Define the roles, responsibilities, and accountability of boards of directors, committees, and company secretaries.
- Strengthen governance frameworks and improve board-level decision-making processes.
- Develop, review, approve, and implement effective corporate policies.
