Talent Development & Coaching

Ref: 3255255_201481 **Date:** 25 – 29 October 2027 **Location:** Orlando, Florida (USA) **Fees:** 5900 GBP

Introduction

Talent development and coaching are essential pillars for enhancing individual capabilities and driving organizational success. This program provides participants with practical tools and modern methodologies to strengthen skills, unlock potential, and build a work environment that fosters innovation and motivation. The content emphasizes aligning talent strategies with organizational objectives, applying coaching techniques to boost productivity, and cultivating strong leader-team relationships. The course is tailored for executives, team leaders, and professionals aiming to generate sustainable value through investing in people.

Course Objectives

By the end of this course, participants will be able to:

- Understand the fundamentals of talent development and its impact on organizational performance.
- Apply effective coaching strategies to enhance individual and team capabilities.
- Design integrated development programs that support career growth.
- Use measurement tools to assess the effectiveness of talent development plans.
- Build trust-based relationships between leaders and team members through effective communication.
- Address performance challenges with innovative solutions.
- Align coaching strategies with organizational strategic objectives.
- Strengthen motivation and positive influence skills.

Course Outlines
