Board Secretary Training: Mastering Corporate Governance

Code: SA32 From: 14 - 18 September 2026 City: Rome (Italy) Fees: 5200 Pound

Introduction

The role of the Board Secretary has evolved into a critical governance function that directly supports the effectiveness, transparency, and accountability of Boards of Directors. As regulatory expectations increase and governance frameworks become more sophisticated, organizations require skilled board secretaries who can manage board processes, ensure compliance, and provide structured support to board and senior management decision-making.

This comprehensive five-day certificate course is designed to equip participants with the essential knowledge and practical skills required to perform the role of a Board Secretary at a professional level. The program covers corporate governance principles, board and committee operations, regulatory compliance, meeting management, documentation, and strategic communication.

Through practical examples, structured methodologies, and best-practice frameworks, participants will gain the confidence and capability to support Boards of Directors effectively while strengthening governance standards across their organizations.

Course Objectives

By the end of this course, participants will be able to:

- Understand the role, responsibilities, and professional standards of a Board Secretary within corporate governance frameworks.
- Plan, organize, and manage board and annual general meetings effectively.
- Prepare agendas, board papers, and follow-up action plans.
- Apply professional techniques for minute-taking, record-keeping, and documentation management.
- Navigate regulatory requirements and ensure ongoing corporate compliance.
- Manage board communications and information flow securely and efficiently.
- Provide structured strategic and administrative support to boards and senior management.
