Executive Certificate in Leadership Coaching

Ref: 321404_206456 **Date:** 26 – 30 April 2027 **Location:** Hong Kong (China) **Fees:** 5400 GBP

Introduction

The world is in dire need of effective business leaders. This course is designed to bridge the gap between underperformance and sustained high-performance leadership. The focus of this course is accelerated leadership development, achieved through executive leadership coaching. Regardless of the leadership model or style you currently follow—whether it's situational, visionary, transformational, authentic, crisis, transactional, strategic, or inspirational—this course aims to help you become more of the leader you aspire to be.

Executive Leadership Coaching offers a unique opportunity to harness the power of leadership and enhance your leadership effectiveness. Whether you have experience in leadership or are looking to build your leadership capabilities, this course provides the practical tools and strategies to become an exceptional leader.

Course Objectives

By the end of this course, you will be able to:

- Define executive leadership coaching and understand its importance in leadership development.
- Identify the core leadership skills necessary for effective communication, influence, and persuasion.
- Learn how to achieve successful goal-setting through the use of WIN/WIN goals and leadership coaching techniques.
- Build self-awareness and overcome self-limiting beliefs to unleash your leadership potential.
- Develop an understanding of authentic leadership and its application in today's corporate world.
- Apply the principles of coaching leadership to inspire and lead teams effectively.
- Gain practical experience in executive coaching to improve leadership performance and achieve strategic goals.

Course Outlines

Day 1: Coaching - Core Leadership Skills

- Smarter Thinking! Deeper Change! Faster Results!
  - Learn how to elevate your leadership with executive coaching.
  - Practical demonstrations to improve leadership communication and influence.
  - Analysis of leadership structures and how coaching can accelerate leadership development.
- Successful Goal Achievement WIN/WIN Goals
