Key Account Management (KAM)

Ref: 3075_288910 **Date:** 4 – 8 April 2027 **Location:** Online **Fees:** 2200 GBP

Introduction

In today's fast-paced business world, Key Account Management KAM is one of the most critical areas for fostering sustainable relationships between companies and their most important clients. This Key Account Management training course provides a unique opportunity for individuals seeking to sharpen their skills in this strategic discipline. The KAM program is designed to transform participants into high-performing business advisors and relationship managers who can deliver exceptional value to key accounts while maximizing profitability and minimizing the time and costs associated with managing these accounts.

By the end of this course, participants will have the skills and knowledge to implement effective account management strategies, build long-term client relationships, and use advanced techniques, such as the KAM Sutra, to strengthen their partnerships. Whether you are aiming for a KAM certification or looking to enhance your key account manager expertise, this course will equip you with the tools you need to succeed.

Course Objectives

This Key Account Management training course is designed to help participants achieve the following key objectives:

- Understand the importance and functions of key accounts for the commercial organization and how to manage them effectively.
- Identify and prioritize key accounts based on profitability and strategic importance, using advanced analysis techniques.
- Develop customer-centric strategies that enhance the way you manage and engage with key accounts.
- Build core competencies in key account management, allowing you to meet the evolving challenges in the marketplace.
- Learn best practices for account qualification and strategic planning to ensure optimal results from your key accounts.
