Modern Innovation & Leadership

Ref: 3223_290959 **Date:** 21 – 25 February 2027 **Location:** Manama (Bahrain) **Fees:** 4200 GBP

Introduction

In today's rapidly evolving business environment, developing leadership skills and innovation strategies is crucial for ensuring success and sustainable growth within organizations. The "Modern Innovation and Leadership" course offers a unique opportunity to enhance leadership capabilities by understanding and applying the latest innovation strategies. This course is designed to equip participants with the tools and methods necessary to effectively lead teams in dynamic work environments while fostering creative thinking to tackle contemporary challenges. Participants will learn how to implement modern innovation techniques to develop leadership strategies that drive success and sustain growth in organizations.

Course Objectives

- Enhance Leadership and Creativity Skills: Demonstrate authentic leadership and creativity skills, leading transformation in the workplace.
- Foster a Culture of Diversity: Be a role model for potential leaders, creating and nurturing a culture that embraces diversity and innovation.
- Develop Communication Management Skills: The best way to develop team leadership is by participating in leadership development programs that cultivate solution-oriented mindsets and boost confident leadership abilities.
- Increase Self-Awareness: Develop self-awareness and confidence in how you present yourself and how it impacts the team you lead.
- Create an Action Plan: Create an individual action plan to integrate learning into the workplace and ensure participants have leadership opportunities.

Course Outlines

Day 1: Self-Concept
