Improving Communication Skills

Ref: 321401_293142 **Date:** 30 May – 3 June 2027 **Location:** Istanbul (Turkey) **Fees:** 4200 GBP

Introduction

All human interactions are a form of communication. In the business world, nothing can be achieved without effectively communicating with employers, employees, clients, suppliers, and customers. If you look at the most successful business people in the world, you will see people who have mastered the art of communication. And that's the difference between being a good communicator and being an advanced communicator - advanced communication is a true art form. It requires practice, finesse, and a skill set that goes beyond those that the average person possesses.

This course is designed for individuals looking to improve their communication skills and elevate them to an advanced level. Whether you want to improve communication skills in relationships or apply communication strategies in the workplace, this course provides the tools and techniques to help you enhance communication skills and make a lasting impact.

Course Objectives

By the end of this course, participants will be able to:

- Differentiate between communication skills and advanced communication skills, and understand their application in various professional and personal contexts.
- Master the basics of communication, including the communication process, types of communication, and its essential elements.
- Level up communication skills by learning advanced techniques for engaging, influencing, and connecting with others.
- Gain the ability to build rapport and use it to strengthen relationships and interactions.
- Learn advanced communication tools and methods to improve communication effectiveness and reach your goals.
