The Certified Executive PA Masterclass

Ref: 321649_297031 **Date:** 13 – 17 September 2027 **Location:** Munich (Germany) **Fees:** 5200 GBP

Introduction

Executive assistants today hold a pivotal role within organizations, requiring them to establish strong partnerships with senior management teams. This course is designed to equip you with the advanced skills and competencies necessary to excel in your role and contribute to your manager's and organization's success.

By joining this executive assistant training, you will gain the confidence and forward-thinking mindset to become a strategic business partner with executive leadership. You will explore effective leadership coaching principles, emotional intelligence strategies, and organizational systems that boost productivity. This course also covers interpersonal and written communication techniques, professional customer service approaches, and stress and time management skills.

Course Objectives

By the end of this course, participants will be able to:

- Understand the strategic importance of the executive assistant and personal assistant roles in modern organizations.
- Apply emotional intelligence to build strong professional relationships and handle challenges effectively.
- Master advanced interpersonal, verbal, and written communication techniques.
- Use organizational and management principles to create systems that improve efficiency and productivity.
- Deliver exceptional internal and external customer service and develop customer-friendly processes.
- Manage stress and time effectively to meet organizational goals and personal milestones.
- Gain expertise in the responsibilities of a personal assistant, preparing for advanced roles.

Course Outlines

Day 1: The Evolving Role of the Executive/Personal Assistant

- Defining the executive assistant role and its strategic importance.
- Collaborating "with" versus working "for" senior leaders.
- Key competencies of the modern executive personal assistant.
