Diplomacy & International Relations

Ref: 321854_300442 **Date:** 31 January – 4 February 2027 **Location:** Cairo (Egypt) **Fees:** 4200 GBP

Introduction

Diplomacy and international relations are cornerstones of the modern world, influencing political, economic, and social interactions globally. For anyone seeking to understand global affairs, whether for academic, professional, or personal development, learning the meaning of diplomacy and its guiding principles is essential.

This 1-week intensive course, "Diplomacy & International Relations," offers participants a thorough exploration of the types of diplomacy practiced in international relations. The course covers topics such as diplomatic communication, negotiation and diplomacy, and emerging fields like digital diplomacy. Participants will also gain insights into the rules of diplomacy and its critical role in resolving conflicts and addressing global challenges like climate change and cybersecurity.

By the course's conclusion, participants will be prepared to navigate the complexities of international relations and diplomacy with confidence, equipped with both theoretical knowledge and practical skills.

Course Objectives

- Introduce participants to what is diplomacy, its evolution, and its significance in global affairs.
- Provide a clear understanding of the types of diplomacy in international relations and their applications.
- Equip participants with practical diplomacy skills, including communication, negotiation, and adherence to diplomacy rules.
- Enhance knowledge of key theories in international relations and diplomacy, such as realism, liberalism, and constructivism.
- Explore contemporary issues like digital diplomacy, climate change diplomacy, and the role of diplomacy in cybersecurity.
- Prepare participants for active participation in diplomatic endeavors, leveraging the benefits of diplomacy in international relations to foster collaboration and peace.
