Ref: 3254239_304529 **Date:** 24 – 28 May 2027 **Location:** Berlin (Germany) **Fees:** 5200 GBP

Introduction

Welcome to the "Modern Advanced American Investigations in HR" course, a comprehensive and cutting-edge program designed to equip HR professionals with the latest knowledge and skills necessary for conducting effective and thorough workplace investigations within the American context. This course focuses on advanced techniques and best practices essential for understanding the HR investigation process, including the legal and ethical considerations involved in contemporary HR investigations in the United States.

Through this course, participants will gain a deep understanding of the investigation process and develop the necessary skills to handle complex and sensitive workplace issues using modern and advanced methodologies. Learning how to conduct HR investigations professionally will be key to improving team effectiveness and achieving justice within organizations.

Course Objectives

- Mastering Modern Investigation Techniques: Explore and master the most advanced HR investigation techniques and methodologies used in workplace investigations within the American HR landscape.
- Legal and Ethical Considerations: Understand the evolving legal and ethical frameworks that govern HR investigations in the United States, ensuring compliance with federal and state laws, regulations, and industry standards.
- Advanced Interviewing and Evidence Collection: Develop advanced skills in conducting interviews, gathering and analyzing evidence, and leveraging technology for efficient and effective HR investigations.
- Analyzing and Assessing Investigation Findings: Learn how to apply advanced analytical techniques to evaluate investigation findings, draw accurate conclusions, and make objective recommendations within the American legal context.
- Managing Complex and Sensitive Investigations: Acquire strategies for managing complex HR investigations, including those involving harassment, discrimination, retaliation, and other workplace misconduct, tailored to the unique American organizational landscape.
- Documentation and Report Writing: Enhance skills in documenting the HR investigation process, maintaining confidentiality, and preparing comprehensive and concise HR investigation reports aligned with modern American reporting standards.

Course Outlines

Day 1: Introduction to Modern HR Investigations in the American Context
