The Senior Secretary Development Programme: Excel & Lead

Ref: 3255910_355719 **Date:** 1 – 5 February 2027 **Location:** Kuala Lumpur (Malaysia) **Fees:** 4900 GBP

Introduction

Senior Secretaries and Executive Administrative Professionals play a strategic role in ensuring organizational efficiency, supporting executive leadership, and maintaining seamless business operations. As organizations become increasingly dynamic and technology-driven, the responsibilities of senior secretaries extend far beyond traditional administrative tasks to include executive support, office management, business communication, leadership, decision-making, time management, event coordination, stakeholder engagement, and process improvement.

This comprehensive training program is designed to equip participants with the advanced competencies required to excel in modern executive support environments. Throughout the course, participants will develop practical skills in advanced communication, executive office management, organizational effectiveness, productivity enhancement, professional correspondence, leadership without authority, problem-solving, and adaptability, while learning how to leverage modern digital tools to improve efficiency and organizational performance.

By combining international best practices with practical applications, case studies, and interactive exercises, this course enables Senior Secretaries to become trusted business partners who contribute directly to organizational success, executive productivity, and operational excellence.

Course Objectives

By the end of this course, participants will be able to:

- Understand the evolving role of the Senior Secretary and Executive Administrative Professional in modern organizations.
- Strengthen Advanced Communication Skills, including verbal, written, digital, and cross-cultural communication.
- Improve Executive Support capabilities through effective planning, coordination, and professional correspondence.
- Master Time Management, Prioritization, and Productivity Management techniques.
- Effectively manage executive calendars, appointments, meetings, and competing priorities.
- Develop strong Leadership, Decision-Making, and Problem-Solving skills.
- Apply Emotional Intelligence, Active Listening, and Interpersonal Skills to build productive workplace relationships.
- Enhance Office Management and administrative coordination using best practices.
- Plan and coordinate executive meetings, conferences, and corporate events efficiently.
- Improve Document Management, Information Management, and administrative workflows.
- Apply Conflict Resolution, Negotiation, and Influencing Skills without formal authority.
- Implement Process Improvement initiatives to increase office efficiency.
- Utilize modern Digital Communication Platforms and Productivity Tools effectively.
- Strengthen Professional Development, Adaptability, and career growth strategies.
- Manage workplace stress, build resilience, and maintain a healthy Work-Life Balance.
- Support organizational excellence through continuous improvement and professional administrative practices.
